Renewals and New Members continue to surpass prior years

In analyzing the renewal and new member recruitment data, we are doing a good job of improving our retention rate of existing members and holding our own on signing up new members. As you can see from the two graphs, both on

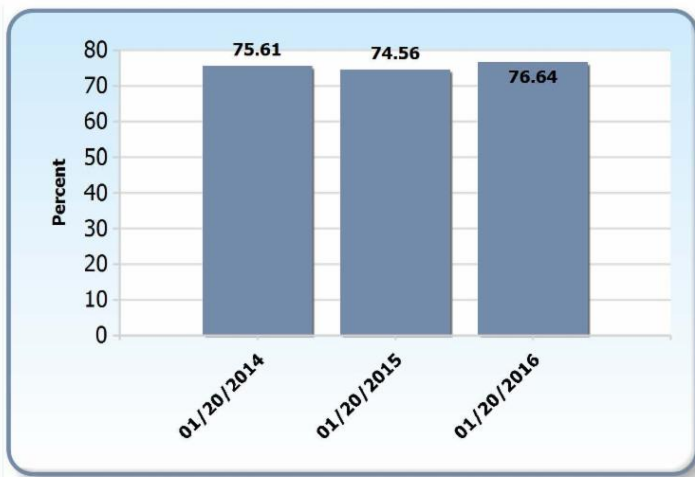

WALK FOR VETERANS

In their book "The Bonus Army," authors Paul Dickson and Thomas B. Allen pay tribute to the thousands of World War I veterans who marched to Washington to petition for benefits they believed were owed for their service, only to be chased away by soldiers under federal orders.

"American history is punctuated by moments and history that become prisms through which larger events are better understood - the Boston Tea Party, Nat Turner's Rebellion, the Alamo, John Brown's Raid," they write. "The march of the Bonus Army belongs in such company. But its significance has been obscured by time, even to its direct beneficiaries - the millions of later veterans whose bonus would be the GI Bill and the benefits that have

renewals (above) and new members (below) we are ahead of the previous years.

CONGRATULATIONS. In order to grow, we need to retain our current members and further penetrate the veteran pool to tell our story to those eligible veterans who have not yet joined.

followed to the present day ... Millions of Americans have since peacefully marched on Washington in support of various causes, their way paved by the veterans of 1932."

As a former high school history teacher, it is in this spirit that I am calling on all departments to conduct their own American Legion Walk for Veterans. Though far less contentious than what many of our Legion founders experienced 83 years ago, these events can send a similar message of support for those who have served.

Dale Barnett
National Commander

The purpose of this Walk is to raise public awareness about the crucial issues facing America's veterans and their families. An estimated 22 veterans a day commit suicide. Traumatic brain injuries have become a signature wound of the Global War on Terrorism and up to 20 percent of the men and women who served in Iraq or Afghanistan are believed to experience Post Traumatic Stress Disorder. Veterans still have difficulty receiving health care in a timely manner and many have been waiting years to have their disability claims resolved. We owe it to those who served our country to never forget their sacrifice and devotion. We are walking for

Membership Transmittals

This week the Department received A surprisingly few transmittals from the Posts - **ONLY 33 to be exact!**

The Eastern Region submitted 14, the Western Region 10 and the Northern Region 9 transmittals.

Maybe it was the impending "Snowmageddon" or a much deserved break after the hard push on membership before the National Dues Increase took effect?

As we head towards Spring Conference and a number of District Revitalizations being scheduled, we need your help in not only renewing those members who have not yet done so but to also sign up some new members.

MEMBERSHIP - JUST ASK

REMEMBER - WE ALL KNOW SOMEONE WHO IS ELIGIBLE FOR MEMBERSHIP EITHER AT WORK, AT ONE OF OUR EXTRACURRICULAR ACTIVITIES OR IN OUR NEIGHBORHOOD.
