

National Commander Mike Helm is hoping that many Legionnaires, Sons of The American Legion, American Legion Auxiliary Members, Riders and friends of The American Legion will give the gift of life by donating at the blood drive that will occur this year at The American Legion National Convention. He is hoping that you will note on your calendars the dates of the drive: **Friday, Aug. 28 and Monday, August 31, 9 am to 2:30 pm, Baltimore Convention Center, Halls D&E, Level 100.** See you in Baltimore and thank you in advance for supporting this great cause!
