DullesChamber.org

What is T3?

The GovCONnections Advisory Board – which includes CACI, General Dynamics IT, Lockheed Martin and Raytheon IIS – designed the T3 programs to connect government contractors, commercial business employers and other supporting resources in the Dulles and surrounding areas with veterans and current military who have sacrificed so much for our country.

Attendees who are making the transition from the Military to the Civilian workforce can seek help with their job searches by speaking with recruiters and employment decision makers. Veterans and active military can also attend informational sessions about successful interview strategies, resume writing, healthcare coverage and more

The first 80 veterans to register before January 24th will receive a free help putting together a marketable resume, followed by professionally coached “mock interview” session.

GovCONnections Advisory Board:

CACI | General Dynamics Info. Tech | Lockheed Martin | Raytheon IIS
