TRANSMITTALS RENEWAL INITIATIVE

This week the Department received **59 transmittals**.

The Northern Region led the submittals with 24,
followed closely by the Eastern Region with 22
and the Western Region with 13 submittals.

As we head towards the Spring Conference and a number of District revitalizations being scheduled, we need your help not only renewing those members who have not yet done so but also transfer some Headquarters Post members and sign up some new members.

Last week your Regional Vice Commanders received lists with all of the 2014 and 2015 members that have not yet renewed their memberships. Please check with your Post, District and Regional leadership to assist in calling those members and assisting in the Membership Renewal Effort.
