

Today we Honor the commitment and sacrifices of our Nations “Prisoners of War” and those still “Missing in Action” and their Families.

Approximately 83,000 POW/MIA Heroes are listed from all wars and conflicts. This reminds us of the high price that is paid for the Freedom we enjoy in this Country.

Many ceremonies will take place today to Honor these men and women. We ask that each of us take a moment to pray and remember all those still unaccounted for.

The Sons of The American Legion remains steadfast in our Nation’s promise that simply put **“You are not forgotten”**

For God and Country,
VA&R Commission Chairman
Clint Bolt
