**The American Legion
Department of Virginia**

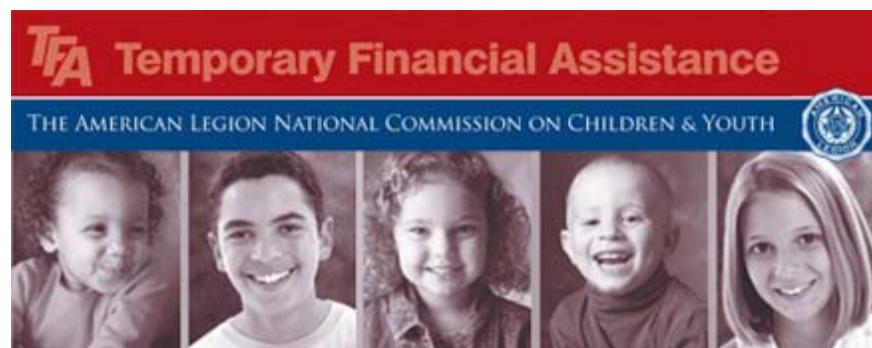

i-Legionnaire

August 4th, 2017

The Department of Virginia delegation is preparing for our trip to the 99th National Convention in Reno, Nevada.

Our National Commander Charles E. Schmidt has focused this year on raising funds for both [Temporary Financial Assistance](#) and [Service Officer Training](#).

I would like to ask all Legionnaires, Post and District Leadership to send their donation checks to the National Commander's selected charities this year to Department Headquarters to arrive by the 14th of August. Checks should be made payable to "The Department of Virginia". In the memo field please indicate either ["Temporary Financial Assistance"](#), ["Service Officer Training"](#) or "Both Natl Cmdr Charities".

After the National Commander's report to the convention

on Tuesday afternoon, August 22nd, he will be accepting donation checks from Departments. Your donation will be presented at that time.

I thank you in advance for your membership in our great organization and for taking the time to contribute to these worthwhile charities.

For God and Country,

**Dale D. Chapman
Department Adjutant
The American Legion, Dept. of Virginia**
