Greetings to all Crews aboard our Star Fleet; Colonies and Away Teams!
This report shows continued progress in your engagement activities as we continue to inch closer to our Prime Directive of 100% Membership Year attainment. As a whole, we are averaging an increase of 655 towards that goal each week with this past week an increase of 683. Excellent teamwork by all!

The **USS Western Excelsior** for the third straight week leads our Star Fleet convoy increasing their lead to 45.420% which is a little over a 3% change. **The USS Eastern Discovery** may be in third place, for now but also increased by nearly 3% and lead our Star Ships in having identified 120 new life forms by their respective Colonies and Away Teams. The **USS Northern Enterprise** serves as our largest Star Ship and although it takes more to increase their percentage, they do lead in overall attainment with 5, 473.

The **10th Colony** continues to lead all colonies but, the **6th Colony** has pulled ahead of the **15th Colony** into second place! There were also multiple **Colonies** who shuffled into new positions this week as well.

I want to thank all of the outreach efforts that took place over the weekend with all **Away Teams**! Not to steal our Admiral' thunder but, your work was and has been exceptional with over 150 known transfers since the beginning of the year and from the DMS Engagement Day with reporting still coming in!

From Admiral Feasenmyer: "Thank you to all the posts and districts that participated in and continue to participate in our DMS Engagement Day. Your work is truly appreciated."

Boldly Going,
Dave Wallace
