Federation of Virginia – the 50% is here and am happy to report that ALL of our Star Fleet Ships made this Prime Directive mark! It is very impressive to see how each of our Captains have led their respective crews through this year’s journey to date.

I have two items that I believe deserve special attention on this report. The first, being **Away Team 221** is not only first to reach the ultimate Prime Directive but, they’ve exceeded it and now stand at 101.563%! The second item is sending out a special BRAVO ZULU to Past Vice Commander **Joe Dudley** who recently received recognition for earning his 10<sup>th</sup> consecutive Gold Brigade Award of recruiting 50 or more people each year! WOW!

There has been a shakeup in our Colonies now that the PUFLs have been added in to the mix. The **15<sup>th</sup> Colony** has now taken the lead with the **14<sup>th</sup> Colony** right behind them with less than half a percentage point away. Another great positive across all Colonies: Each Colony now has recorded new members with an increase of 31 from last week! There are also 67 of our **Away Teams** who have already reached the October Prime Directive!

The **USS Western Excelsior** is still in the lead but, the **USS Northern Enterprise** and **USS Eastern Discovery** have initiated outreach to their **Chief Engineers** and **Chief Science Officers** to analyze where to begin exploring new opportunities to close in on the distance. Keep up the great work!

**From Admiral Feasenmyer:** “Again my thanks to all the posts and districts that worked on and used the DMS and 141 lists that were provided. PUFLS gave us a nice boost, so now the hardest work begins. Thank you for helping us reach that 50% goal.”

**Boldly Going,**
