**Federation of Virginia** – as you can see, we’ve made great progress from last week and we are, in fact, ahead by 3 weeks in making our October 7<sup>th</sup> – 55% Prime Directive! Let’s keep gaining ground in our respective efforts and continue to stay ahead and give us some “space” between each Prime Directive date! It provides less stress for all.

The **USS Western Excelsior** still holds their lead over the other two Star Ships but, the **USS Northern Enterprise** is closing in on that lead and the **USS Eastern Discovery** is still leading in identifying “new life forms” for our Federation.

The **14<sup>th</sup> Colony** is on top for the second week in a row and a significant accomplishment that stands out is that 14 of our 17 **Colonies** have made the October Prime Directive with our top 9 **Colonies** have made the November Prime Directive with the next 3 **Colonies** less than 1% away from that mark!

Our **Away Teams** are doing amazing things! We have 73.42% of our **Away Teams** who have made October’s Prime Directive and 56.52% of our **Away Teams** have made their November Prime Directive!

Let’s continue to push our renewal efforts; DMS and 141 outreach and transfers and aim to get every **Away Team** to identify a new member!

**Special Notice:** Department is working with National regarding a box of membership transmittals that was lost by UPS and this means that upwards of 2,354 members renewal notices may be sent out to respective members. Please send a note to your membership that this will be resolved shortly and we apologize for the inconvenience. Communication is key and we don’t want rumors or questions to spread.

**Boldly Going,**
