**Federation of Virginia** – we had another outstanding week with our biggest growth coming from the **USS Northern Enterprise** who increased by 2.4% from last week! We are now on to the November **Prime Directive** of 65%! All of our Starships are doing excellent work in reach out to **Away Team 141** members and asking them to join their respective **local Away Team** families and that’s very encouraging.

The **USS Western Excelsior** continues to hold a 2.5 % lead over the **USS Northern Enterprise** and the **USS Eastern Discovery** continues to identify new life forms in their respective sectors. We are now 43 away from our first new member milestone! We still have plenty of **Away Teams** who have opportunities out there to identify their first new member. All you need to do is ask and then engage!

The **7<sup>th</sup> Colony** maintains their first place status for the second week in a row and there was some shuffling back and forth in the top ten. The biggest jump this week was with the **16<sup>th</sup> Colony** who apparently fixed their minor engine trouble and hit warp drive jumping from seventeenth place to eleventh place edging just past the **17<sup>th</sup> Colony**.

We have our fifth **Away Team** that reached their 2021 **Prime Directive** of 100%! Congratulations to **Away Team 329** in the **Dahlgren** sector.

Most of our Early Bird incentives will be concluding over the next two week so I encourage you to look at your membership plan now and re-tool if necessary. Join in on next Tuesday’s Membership Engagement Meeting to collaborate with the rest of our **Federation of Virginia** members and let’s learn from each other. We have great teamwork and leadership keeping us ahead of the **Prime Directive** curve and let’s continue to move the needle forward! Remember to perform the **October Buddy Check Challenge!**

**Boldly Going,**
