Engage!!!

Stardate 74504.4 (1/13/2021)

Federation of Virginia – We have made steady progress over the course of this past week, along with a “changing of the guard” that I will mention shortly. It is great to see the determination and dedication of those **engaged** with membership at the **Away Team, Colony and Federation Committee** levels. I appreciate the more than 30 **Federation** members from across all **Colonies** who participated in last week’s training sessions as we gear up for this months Department-wide **Engagement** activity. Captains **Ward, Malinowski** and **Fanning** have received the DMS and Expired lists for each **Colony** – along with a breakdown of what was provided from National. I will also be reaching out to each **Engineering Officer** and **Science Officer** across all **Colonies** personally to ensure we have thorough communication of these efforts.

The **USS Northern Enterprise** maintained its lead for the seventh consecutive week however, the **USS Western Excelsior** has maintained its speed and the **USS Eastern Discovery** is working on their warp drive to plot their next move.

The 16th Colony moved past the **4th Colony** this week and the distance between the top three **Colonies** which includes the **17th Colony** is **razor thin**. Another important notation is the **6th Colony** moving up two spots to the eighth position.

Admiral Feasenmyer will be sending a personal email to our expired 2019 and 2020 members to assist in our engagement efforts. He appreciates everyone’s efforts and looks forward to moving us towards our 100% **Prime Directive** goal.

Boldly Going,
Dave Wallace
Federation Science Officer
