Engage!!!

Stardate 74520.4 (1/20/2021)

Federation of Virginia – another week has passed and this week there was significant movement not only within two of our starships but also, across multiple **Colonies**. It's important to continue communication efforts out to your respective **Away Teams** and see if there's any assistance that they may need. Anyone under 75% should be looked closely on to get them on track. **Engagement** can be performed through multiple means, even during these unprecedented times. Technology can become your best friend with hosting virtual meetings or through consistency in email messaging for updates within the community, Legion programs and post home.

The **USS Northern Enterprise** maintained its lead for the eighth consecutive week and increased by nearly 2%. The **USS Western Excelsior** is still in second place but, the **USS Eastern Discovery** is closing in and are looking to move past next week. Will **Captain Fanning** and her crew succeed next week? I'm looking forward to seeing, along with how **Captain Malinowski** and his crew will respond!

The **16th Colony** remained in the lead but, the **17th Colony** has now moved into second place. We also had the **10th Colony**, **2nd Colony**, **13th Colony** and **11th Colony** make moves within our **Starfleet**.

Congratulations to **Away Team 293** in the Purcellville sector for reaching their Prime Directive this week!

Message from Admiral Feasenmyer: 2021 is moving ahead quickly and I need your help. As you're conducting your buddy Checks on members, particularly those who have not renewed for 2021, please mention that they are important to The American Legion and veterans everywhere.

Boldly Going,
Dave Wallace
Federation Science Officer
