Engage!!!

Stardate 74580.8 (2/11/2021)

Federation of Virginia – It has been two weeks since my last report to you and wanted to spend this week sharing the “bigger picture of what we have accomplished to date. As a **Federation** (Department), we are ranked 8th in traditional goal attainment percentage out of 55 Departments with National’s overall traditional percentage at 83.8%. We are nearly 400 new members above what was assigned for new member target this year and that’s phenomenal with a very trying year. In addition, we are just above 93% of last year’s 141 final renewal total. Those may be little wins but, they add up to B-I-G success stories! I will be speaking to our **Star Fleet Captains** about a special Task Force that I will need volunteers for. Please stay tuned for communication engagement from them and/or your **Chief Science** and **Engineering Officers**.

The **USS Northern Enterprise** continued to maintain its lead as well as the **USS Eastern Discovery**, still slightly ahead of the **USS Western Excelsior**. Each **Star Ship** leads in different categories: the **Enterprise** leads the fleet in the **Prime Directive** target; the **Discovery** leads in recruitment of new members and the **Excelsior** leads with a distinct factor that every one of its **Colonies** have at least one **Away Team** that has reached and/or exceeded its 100% **Prime Directive** target.

Kudos to the **2nd and 11th Colonies** who both made the largest leap in standings since my last report. Congratulations to **Away Team 81** in the Virginia Beach sector; **Away Team 113** in the Princess Anne sector, and **Away Team 105** in the Stuart sector for reaching and/or exceeding their 100% **Prime Directive** this week!

Boldly Going,
Dave Wallace
Federation Science Officer
