Engage!!!

Stardate 74673.8 (3/17/2021)

Federation of Virginia – This week’s report provides us with a few new wins in our pursuit for the **100% Prime Directive** with our traditional target. We have officially crossed over 90% in the traditional target and 7 out of our “Top 10” **Colonies** have also crossed the 90% mark, with 2 more less than half a percent away from doing it as well. We are at 97.34% of last year’s renewals from our **141 Away Team**, with 173 more renewals from there to reach another milestone. In addition, we have now crossed over 1,000 new members and we’ve done that during the most challenging membership year any of us have ever seen! Everyone should be proud of this and we aren’t done! Keep up the great work and know your communication and outreach efforts are being recognized and appreciated.

Our **Starfleet** rankings and **Colonies** didn’t have a lot of significant movement but there are a few who have swapped places with another. I’d like to point out this week with each of our **Starships**, led by our **Captains**. The **USS Northern Enterprise** still leads but, if you look closely, the **USS Eastern Discovery** is slowly ramping up to challenge them as they lead in number of **Colonies** who have reached their **100% Prime Directive** as well as new members from their respective **Away Teams**. The **USS Western Excelsior** might be third in the standings but, they are the only Starship that can boast having every **Colony** with at least one **Away Team** that has reached their **100% Prime Directive** and are in second place with number of **Away Teams** making their **100% Prime Directive**. Congratulations to our newest **Away Teams** reaching the **100% Prime Directive: Away Team 81** in the Virginia Beach sector, **Away Team 314** in the Aylett sector and **Away Team 18** in the Marion sector.

Boldly Going,
Dave Wallace
Federation Science Officer
