Our campaign to get “Back to Basics” has begun!

The pandemic continues to ebb and flow. Cases rise, fall and rise again, and we are all feeling the impact. At Department Headquarters this has unfortunately impacted our ability to process the membership transmittals mailed in to Department.

In addition, the transition to Personify and the changes to MyLegion.org remain a work in progress, which has impacted National’s ability to produce the membership reports we are all accustomed to seeing. It now appears we will not get the first report from National until after the National Convention.

These two factors combined threatened our ability to begin generating Department membership reports, but thanks to the hard work of Past Department Commander George Lussier and the support of the Department Leadership Team we have adapted and overcome.

While the attached membership report may not look like previous reports it is a starting point based on the best data available. It reflects membership transmittals received and processed by Department as of last Thursday (August 5th). NOTE: Any renewals that were sent to Department since that date will be processed beginning next week and included in future reports.

The membership numbers for PUFLs, online renewals and Posts taking advantage of eProcessing are accurate as of today (August 12th).

The initial membership goal of 35% has already been achieved by two districts and multiple Posts. In fact, we have 17 Posts that have exceeded the 50% of goal, and three “superstars” that have exceeded 70% of their membership goal. In addition, we only have 4 “Goose Eggs” – Posts showing no renewals for the current year.
