Our overall numbers continue to look strong. As a Department we are at 56.91% of goal for the year with our traditional Posts tantalizingly close to hitting the 60% benchmark (59.21%) for 2022.

There was relatively little change to the overall District standings although the competition continues to be fierce with the 4th and 5th Districts separated by 1/100th of a percent with the 13th District just 2/100th of a percent back.

Overall, eight (8) Districts have surpassed the 60% mark.

Congratulations to **Posts 76 (Harrisonburg), Post 329 (Dahlgren) and Post 775 (Pocahontas CC)** for joining Post 241 (Stormont) in reaching 100% of their goal for the year by October 1st. There are still a couple more days left in the month and a handful of Posts right on the threshold.

Many Posts and Districts have already met or exceeded the October 6th benchmark (55%) for the Jamestown award but keep working membership as we take a big step up with a goal of 65% by November 3rd (Veteran's Day Award).

The data from the national reports continues to improve. There are still some minor discrepancies between the national report and the data we are seeing on MyLegion but Department-wide the difference is down to just 110 members out of nearly 22,000 which isn't too bad. The biggest change you will note in this week's report is an update to the number of new members for each Post. Across the Department we are at 503 new members for the year, which is well short of where we need to be if we are going to make our national goal for the year so keep reaching out and encourage people to join.

Post 775 (Pocahontas CC) – 100%
