Great job!

Our membership numbers remain strong across the board, and we are heading into the Fall in great shape!

The Department has crossed the 50% benchmark having already achieved 51.21% of goal and our traditional Posts are even better at 52.44% of goal.

All three regions and 12 of our 17 Districts have now reached the 50% benchmark by September 1st, with two others hovering right on the brink.

The West region under the leadership of **Vice Commander Gordon Farmer** has emerged atop the Department standings with three of the top four and four of the top six Districts in the Department.

A special shout out goes to **10th District Commander Ronald Krauklis** and **Membership Chair Mike Grogam** for jumping from 16th place all the way to 3rd place in the district standings.

Continue to push renewals and new memberships! We still have two Posts with “goose eggs” and a number of Posts sitting at less than a half dozen members.

If you are not yet e-processing your membership renewals, please consider making the switch. While the MyLegion platform continues to be a work in progress, the e-processing platform is working exceptionally well, and e-processing will save you time and money!

As of last week 4,300 Posts and 47 of the 55 Departments are electronically processing their membership information. In just the last two months the e-processing platform has successfully processed 335,860 new memberships or membership renewals. Here in Virginia nearly half of our Posts are e-processing, which is pretty remarkable considering we started with a pilot project just two years ago with three Posts.

If you need help making the transition let me know. We have a great team of subject matter experts that can help you through the process.

Scott Maddrea
Membership Chair
