WOW!!! The competition between the Districts is getting intense!

Since last week we have had three more districts reach the 50% benchmark. Congratulations to **2<sup>nd</sup> Commander Ted Price, 4<sup>th</sup> Commander Jim Knowlton and 12<sup>th</sup> District Commander Todd Hayden.**

Overall, the top three remain the same although the 10<sup>th</sup> District nosing ahead of the 15<sup>th</sup> Districts into second place. Less than 0.5% separates 3<sup>rd</sup> through 5<sup>th</sup> place and 3<sup>rd</sup> through 8<sup>th</sup> places districts are all with 1.5% of one another.

A little bit of effort can make all the difference. The 3<sup>rd</sup> District current sits in 8<sup>th</sup> place in the district standings but they are 11 renewals from 6<sup>th</sup>; just 30 renewals from jumping all the way to 3<sup>rd</sup> place; and less than 70 renewals (or new members) from leapfrogging all the way into 1<sup>st</sup> place. Two more renewals from each Post in the District would have been worth five places in the district standings and five more renewals from each Post would have put them in the lead.

And the 3<sup>rd</sup> District is not alone.

- The 1<sup>st</sup>, 4<sup>th</sup> and 12 Districts are separated by less than three-quarters of a percent.
- The 2<sup>nd</sup> and 16<sup>th</sup> District are separated by a mere 6/100ths of a percent – in human terms that is the difference of two more renewals!

While the competition between Districts remains fierce, this week's overall numbers reflect an overall increase of just 426 members over last week due in part to the long holiday weekend and the delay getting last week's report out in part due to getting stranded in Dallas for a day. But even spread across 17 Districts and more than 200 Posts those 426 members were enough to move three more Districts over 50% for the year and push the overall membership for the Department over 20,000 members.

Keep pushing renewals and new memberships! One more member may not seem like a big deal but it can make a huge difference overall.
