Great job with the push over the last week! We made our 80% goal by almost 325 members!

We are currently sitting at 31,159 members, which is 80.84% of goal.

The next Department membership goal is coming up quickly - 85% by February 2nd. Right now, half of our Districts (8) and 99 Posts have already reached or exceeded the 85% threshold, thus qualifying for the Foxhound Award.

As you can see, the competition for the top three spots has tightened considerably with the 1st, 8th and 10th Districts in a virtual tie atop the District standings. Who will be the first to reach 90% of their goal?

The news is not entirely good, while we are on track to make our national goal for the year, we are still more than 2,000 memberships BEHIND where we were at this point last year. In addition, we have fallen behind South Carolina, Louisiana, Georgia and Florida in the latest ranking of states in the Southeast Region.

I know the weather has disrupted a lot of Post and District meetings this month, continue to watch your mail and push those renewals up to Department!

Scott Maddrea,
Department Membership Chairman
