Welcome to 2022!

Congratulations go out this week to **Post 100 (Parksley)**, **Post 135 (Damascus)** and **Post 59 (Christiansburg)** each of whom joined the ranks of the “Top Performers” having achieved 100% of their goal, bringing us to 22 Posts that achieved goal by the end of 2021.

We are only one week into the new year, and we are just 101 memberships away from 30,000 members! That puts us 8,646 shy of our goal for the year and 937 shy of the national goal of 80% by January 20<sup>th</sup>. And there is reason to be optimistic:

- All three Regions, 11 Districts and 115 Posts have already reached or exceeded the 80% threshold.
- These numbers also do NOT include the 363 memberships “in-process” at national or the memberships that have been mailed into Department during the last week. Realistically, we need about 500 memberships over the next 14 days to make the national goal. It is not unrealistic but it will require a renewed push.

As a reminder, the next national renewal notices will be going out in mid-January. The close date was December 8<sup>th</sup> so anyone who renewed after the first week in December will likely get a renewal notice in the mail, so be prepared.

Historically we also know that there are some members who like to wait until after January 1 to pay their new year’s dues. Now is the time to reach out to them and get them to renew.

Scott Maddrea,  
Department Membership Chairman
